

News From the Big Room Flock

April 29, 2022

Thank you again for your understanding about the unexpected school closure on Friday!

If you are interested in your child fine-tuning some of their math skills, I would love to work with them this summer. My “school work day” will be Tuesdays. Let me know so I can save a time slot for your child. We can do this as many or as few times as your family schedule allows.

Our crockpot cooking went well. I hope everyone enjoyed this delicious meal.

Our weather has been on a rollercoaster ride. Please make sure your lovely child comes to school with appropriate outside gear. I know they don't want to put their coats on after it has been so lovely, but we still have some days where this is necessary.

Don't forget to sign up to help with the Garage Sale. This is a significant fundraiser for our school.

For our Spring/Graduation program, we ask each family to bring in a dozen cookies to share for the reception following.

Next week is a new pizza month, so please promptly fill out and return form(s).

I have added a few new dates to the calendar on this page and the Classdojo events; please note these dates.

Important Dates:

April 29- No school-Chris Oliver's Celebration of life at 11:00

May 5,6 & 7 School-Wide Garage Sale
