

News from the Big Room Flock

April 8, 2022

The girls worked so hard to get a jump on the new monthly work. We have three shorter weeks, so we will not have new spelling until the last week of April. We are working on investigating how the new government was formed in America and how much of what they created is still utilized today. In grammar and writing, we are focusing on punctuation. We are also finishing up the poetry unit. The girls have enjoyed creating poetry. We continue to work on the Easter story during Bible time. We have also discussed our emotions and how God wants us to handle them. We focused on anger and that we need to respond instead of reacting. Anger is a human emotion, but we need to control it instead of allowing it to control our actions. We talked about ways to express anger, such as; writing, going for a walk or run, meditating, and praying.

This summer, I will be offering tutoring for kiddos to review or pre-teach in any subject area, but most will focus on math skills. I have set aside Tuesdays for my school day. If you are interested, please let me know. We can do as many weeks as you like; I am pretty open to whatever works for your family.

*** I have added some important dates to the Calendar on the reverse side of the paper.

Have a great weekend! Mrs. B

Important Dates:

April 12- Library and cooking/shopping day
