

# News from the Big Room Flock

December 10, 2021

What a blessing the program was on Thursday. The children worked so hard. Our God is so good! There were a few practices that I was a little worried about, but as always, it all comes together.

The shopping day was another huge success! Thank you, Ms Ginger, for all your hard work. I know you had many “little elves” helping you out, but your organisational skills for this fun activity is greatly appreciated.

Some housekeeping items:

School starts at 8, and the Big Room has chores that need to be done before our start time, mainly flags need to be out. We are so busy and have so much to do; I have to start our day on time with the girls ready to rock and roll and not just walking in the school building. Promptness is what allows us to continue with all our extraordinary adventures.

Pizza money is due on Wednesdays each week. This must be done on time for the teacher who has this task to help with organisation and ordering. Please no checks- we have no way to cash them.

Silverware needed for your child’s lunch should be included in their lunchbox. We don’t have an excess of these items and are trying to be good stewards of our resources. We also don’t have plates and bowls, so if these are needed, please send them with your child.

I can’t believe how fast the month is going. The girls have worked so hard. Even with all the special activities, they move right along in every subject. I am amazed at their dedication to their school work. Please check in with them to make sure they are on pace to finish their monthly work, which is due on December 21 at the end of the day.

Have a beautiful weekend. Please make sure your kiddos get some rest! Mrs Bekkering 231-313-1414 pbekkering64@gmail.com
