

# News from the Big Room Flock

January 28, 2022

The girls have survived the annual spelling bee. I believe they each did their very best. Congratulations to our winner; Danika, runner up Aria, and third place champ Kerri.

Next week I will begin our winter round of Aimsweb testing. Those results will be included in the report cards going home in February. Once you have looked over the report card if you would like to schedule a conference time just get ahold of me and we will set something up. Conferences for this go around are by teacher invite or parent request. We are not taking a specific day to do these.

We have switched over from science to history. Our first objective is some mapping activities. They will learn where all the continents and oceans are located. By chapters end, they should be able to label each of these items. Our first chapter also covers some of the great explorers. Why did different countries send out explorers? What were they looking for? What did they find?

We finished up our MLK packet and learned a few new things about this incredible man and what he did.

We also finished up our plague posters. Each young lady had to pick two, to explore a bit more in-depth. We will be moving on to God's Commandments in our next unit. We will be taking our time with these and really investigating what these commands tell us.

**Valentines Day Party:** They will exchange valentines with one another and may also make or "send" valentines to any other students at Ebenezer. We will be going to the Library and Mrs. B's house for a while. They can play with the critters, and then we will do some games etc. The girls would like to go out to eat if that is okay with everyone? There will be more information to follow.

In February we will be doing **Walking Tacos** for the school on Tuesday 2-22-22. This will replace our regular cafe. We will be cooking at school that day and serving the tacos during lunchtime. To cut down on cost, I will be asking each family to help provide some of the supplies. This form will be going out the first week in February. We thank you for your support in advance.

The girls have until Monday to finish any monthly work. Please touch base with your kiddo to ensure they are in a good place with their work.

If you ever have any questions, please don't hesitate to reach out to me. Mrs. B [pbkkering64@gmail.com](mailto:pbkkering64@gmail.com) or 231-313-1414
