

News from the Big Room Flock

March 24, 2022

Happy Spring Break to one and all!

What a fantastic way to end reading month. The girls did a fantastic job adding up those minutes and creating their reading-Lego structures. I shared final pictures on Classdojo. We also had such fun participating in reading month activities. Ava took the prize for most reading minutes at a whopping 1,410 minutes, followed closely by Kerri with 1,340 minutes. Great job, everyone!

All monthly work is completed. The girls can always work on their Country report, but the Big Room has no homework for spring break. I want you to all enjoy the break. We will hit the books hard on our return to finish the year stronger than we began.

Important Dates:
