

News From the Big Room Flock

May 13, 2022

If you are interested in your child fine-tuning some of their math skills, I would love to work with them this summer. My “school work day” will be Tuesdays. Let me know so I can save a time slot for your child. We can do this as many or as few times as your family schedule allows.

We completed our Aimsweb testing this week and all of our vocabulary tests. Aimsweb testing scores will be in your child’s report card on the last day of school. If you have any questions or concerns, please let me know. These girls have worked so hard this year! I am very proud of the progress they have made.

Next week will be our last whole week of scholarly work. The following week we will work on some geometry and measurement as a group. We will continue to work in our Bible books and get our room ready to shut down for the summer. We will be doing some fun free writes and some extra reading time using a new program Miss A shared with me, Reading Works. The time will go so fast.

Make sure you check the calendar and ClassDojo for end-of-the-year events. A permission slip for the Front Porch is in this week’s Friday folder.

Important Dates:

May 14 Banks Township Clean-up day

May 23-Burning of the books and last library trip

May 24- Graduation/Spring program practice in the AM (9:00)
