

# News From the Big Room Flock

May 20, 2022

If you are interested in your child fine-tuning some of their math skills, I would love to work with them this summer. My “school work day” will be Tuesdays. Let me know so I can save a time slot for your child. We can do this as many or as few times as your family schedule allows.

Our last day of everyday learning was Friday. It was bitter-sweet, but I think the girls handled it well. I took their math books away, and no tear was shed. We have lots of fun wrap-up activities for the last week of school.

They had a great time over at Mrs. Katie’s house. What a blessing to have someone so special close by and willing to treat our kids to such an adventure.

The Spring/Graduation party is Tuesday at CRC at 6 PM. We ask each family to please bring a dozen cookies for the reception afterward. Any extras will be taken to Barnes Park the following day.

Next Thursday is a full day of school. Teachers will be having their end-of-the-year work meeting once the kiddos have escaped school. I will be sending things home in increments, so there will not be a big trash bag of stuff on the last day. Thursday will also be the trip to the Front Porch. Kiddos will need about \$10.00 for their lunch. They will be walking unless the weather is terrible, then I will drop them off and pick them up.

## Important Dates:

May 23-Burning of the books and last library trip

May 24- Graduation/Spring program practice in the AM (9:00)

May 24-Graduation/Spring Program

May 25-Barnes Park-permission slip needs to be returned by 5-20
