Dear Ebenezer Staff and Families,

What an awesome show in God's power in the form of many beautiful and unique snowflakes. We have certainly seen our fair share over the last several weeks and with that has come several weather-related cancellations.

To date, we have had 10 weather-related cancellations for this school year. While we are not required to "make-up" days we do feel it is important to ensure our staff and students have adequate in class time throughout the year. It is our understanding that several of those days will be or already have been forgiven by the State of Michigan due to the extreme conditions.

With that being said, there has been much discussion between the staff and board as to the best course of action regarding our upcoming mid-winter break as well as our last day of school. We have decided as a board and staff that we will not be canceling mid-winter break this Friday, February 15 and Monday, February 18 as many families already have plans and we do not feel it is fair to cancel with such short notice. Further, we will extend our school calendar to May 31, 2019. Graduation and Spring Program will be May 20, 2019 as planned and we will dismiss at 11:00 a.m. on May 31, 2019.

Should you have any questions or concerns regarding this change, please contact me or another board member.
